Five Friends

Five friends set off on a sunny day.

One jumped up and sailed away.

Four friends were left to prance along.

In a flash, one more was gone.

Three friends left could only stare.

Look! One is up in the air!

Two friends stopped at a flower bed.

Gracefully, one ran ahead.

One friend left. She heard a splash . . .

... and happily began to dash.

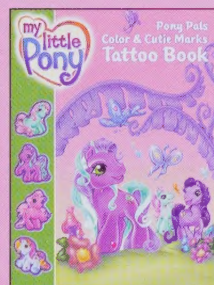

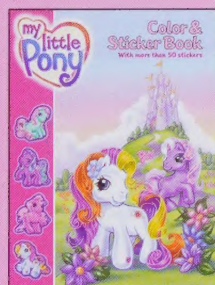

by Ann Marie Capalija

Where are the ponies going?

Five touchable plastic ponies each disappear with the turn of a page.
Find out what happens at the end of their sunny afternoon adventure!
